

KidSight PLUS

Grades 1-12

@tennesseelionscharities

Lions Clubs in your community, in partnership with Tennessee Lions Charities, Inc., have conducted a free vision screening at your child's school. This screening provides a digital reading of your child's eyes. There was no physical contact with your child, and eye drops weren't necessary.

Please remember that KidSightPLUS vision screenings are not a diagnosis.

If you have any questions about the screening process, please call (615) 690-8644 ext. 222 or visit our website [www.TennesseeLionsCharities.org/KSOParentQuestions.](http://www.TennesseeLionsCharities.org/KSOParentQuestions)
